

Application No.: 09/806,877
Group Art Unit: 1651

REMARKS

This Supplemental Amendment is made pursuant to a telephone conversation with Examiner Saucier on November 5, 2003. The substance of this paper is simply to include all claims pending in the application in accordance with the final rules for new amendment format that became effective on July 30, 2003. In particular, claims 10, 11, 13, 14 and 15, all previously presented, were not included in the claim listing in an Amendment previously filed in this application on September 18, 2003. Omission of these claims was inadvertent.

Applicants submit that this Supplemental Amendment places this application into condition for allowance.

Respectfully submitted,
